The encore lasts a lifetime

Your gift to *Beyond Measure* will impact Concordia University Chicago students for their entire life. At the heart of Concordia-Chicago's mission is the formation of students for lives of service, centered in the Gospel, based in the Liberal Arts. Music is an essential component of this education and we strive to impact every student – challenging their mind, expanding their vision, and nurturing their soul through the transformative power of music.

Through *Beyond Measure*, you can help sustain and grow Concordia University Chicago's renowned study and performance atmosphere now and for generations of students. For \$30,000, your name will forever be linked to a performance position of your choosing. For \$150,000, your name will adorn an entire section.

An investment that will resound forever

Your gift to *Beyond Measure* is a contribution to the endowment and an investment in the lives of students – a gift which changes lives. **Peter Stigdon '22**, Bachelor of Music, with a Director of Parish Music certificate, is grateful for the support of *Beyond Measure* donors. In a music scholarship thank you letter Peter wrote:

“I give thanks to God for the blessing of my musical abilities, and I also give Him thanks for you. Your support has been an essential component of my education. Knowing that I am part of a legacy of great musicians, members of the Concordia community, and servants of Christ means more than I can express in words.”

You have the opportunity to impact the life of a student just like Peter. Change a life today, tomorrow, and long after you are called to glory.

OUR MISSION

Steadfast in Jesus Christ as revealed in the Holy Scriptures, Concordia University Chicago promotes academic rigor in its liberal arts and professional programs; grounds students in objective truth, integrity, and excellence; and practices faithfulness to the Confessional teachings of the Lutheran Church—Missouri Synod, as it forms students for vocations in church, family, and the world.

MUSIC DEPARTMENT

The Music Department at Concordia University Chicago recognizes that music is a gift of God and a means through which all people can participate in the richness of the human experience. As a cultural expression that sheds light on both the individual and society, music is an essential component of a liberal arts education.

In accordance with these beliefs, the department fulfills the University mission by forming musicians who will be servant leaders and advocates for the transformative power of music in church, school and community. The department provides Concordia students a variety of opportunities to study and perform music, enabling their lifelong growth and involvement in the arts, while enriching the larger community.
